

# Mask Usage Instructions

1. Hand wash mask before use with soap and water, lay flat to dry.
2. Install mask as shown in Figure 1.

Figure 1

3. Adjust sides of mask so sides are gathered as shown in Figure 2.

Figure 2

4. Adjust elastic so that upper elastic is tight, but comfortable and then tie bottom elastic as shown in Figure 3.

Figure 3

5. When removing mask, leave elastic tied and lift off head. Hand wash with soap and water after every use.
